The Midwest's Premier Engineering Representatives for Electronic Components

## Electronics Manufacturers' Representatives Supplying Electronic Components for Key Industries

Control Sales, Inc. is a manufacturers' representative organization specializing in electronic and electro-mechanical products. Our territory includes Northern Illinois, Wisconsin, Minnesota and Iowa, and we serve manufacturers ranging from start-ups to multi-billion dollar corporations.

Our company's sales effort focuses on over 1,200 customers in the Midwestern U.S. marketplace. The products we sell are technically advanced and we pride ourselves on our thorough product knowledge and reputation as experts in our industry. We place a strong emphasis on our custom, "design-in" solutions.

Control Sales was founded in 1976 and we currently have offices in Chicago and Milwaukee, employing 7 sales engineers. We invite you to explore our line card or visit our website to see how Control Sales can meet your company's needs. We're here to serve you!

IL Phone: (847) 595-2110

WI Phone: (262) 797-9500

[www.ControlSales.com](http://www.ControlSales.com)

**APM Hexseal** | Complete range of sealing solutions. Covers for toggle, pushbutton, lever, rotary, electric switches and circuit breakers, custom seals, selfsealing screws, nuts, bolts, and washers.

[www.apmhxseal.com](http://www.apmhxseal.com) | (800) 498-9034 | [info@apmhxseal.com](mailto:info@apmhxseal.com)

**BlockMaster Electronics** | Barrier, Euro-style, pluggable, panel and PC-Mount terminal blocks. Custom and standard. Screwless termination available. Clear Connects Push-In Wire Connectors.

[www.blockmaster.com](http://www.blockmaster.com) | (800) 595-8881 | [info@blockmaster.com](mailto:info@blockmaster.com)

**Terminal Blocks**

**Bivar** | Bivar is a leading specialty manufacturer of LED Indication and LED Lighting products and solutions. LED Indication products include: LED Mounts & Holders, LEDs, Light Guides/Pipes, Board Mount LED Assemblies, Panel Mount LED Assemblies and Light Engine Modules.

[www.bivar.com](http://www.bivar.com) | (800) 767-3652 | [info@controlsales.com](mailto:info@controlsales.com)

**Enclosures**

**Bud Industries** | Leading manufacturer of high-quality enclosures and related products for the electronics and data industries. Small, hand-held boxes to large cabinet racks. Products made from both plastic and metal, many of which meet NEMA and seismic requirements. Bud can make simple modifications to most enclosures to meet your specifications within one week. Custom product and complete design support available.

[www.budind.com](http://www.budind.com) | (440) 946-3200 | [saleseast@budind.com](mailto:saleseast@budind.com)

**C&K Components** | Miniature toggle, rocker/paddle, alternate action and momentary pushbutton, lighted rocker, DIP, thumbwheel, solid state, keylock, snap action and sealed switches. Slide, rotary and rocker switches. Surface-mount and through-hole tact switches, domes, key, push-button and power switches. Rotary and coded switches and slide switches. Smart Card connectors and SIM/SAM.

[www.ck-components.com](http://www.ck-components.com) | (617) 969-3700 | [info@controlsales.com](mailto:info@controlsales.com)

**Cosel** | AC/DC and DC/DC power supplies and EMI filters. AC/DC Wattages from 5W to 10KW in board-level, rugged PCB, modular and enclosed product types. DC/DC Converters from 1.5W to 700W, including industry-standard footprint power modules and wide-range input DC/DC converters. EMI filters from 3A to 300A, including high-attenuation and medical types.

[www.coselusa.com](http://www.coselusa.com) | (800) 888-3526 | [sales@coselusa.com](mailto:sales@coselusa.com)

**Crydom Corporation** | PCB-mount, panel-mount and DIN-Rail mount AC/DC solid-state relays, power modules, I/O modules, high-voltage relays, AC/DC solid-state contactors. Single and dual-channel AC and DC solid-state relays for motor controls. Custom control solid-state relays.

[www.crydom.com](http://www.crydom.com) | (877) 502-5500 | [sales@crydom.com](mailto:sales@crydom.com)

**Esterline Power Systems** | Power distribution and switching solutions for military/aerospace vehicles. QPL-approved relays, contactors, time delays and smart switching products. Solid-state power controllers, relay assemblies, and primary and secondary power distribution assemblies.

[www.esterline.com/powersystems](http://www.esterline.com/powersystems) | (714) 736-7598 | [leach.info@esterline.com](mailto:leach.info@esterline.com)

**ITT Cannon** | D-Sub, RF, Board-to-Board and Cable-to-PCB Connectors. Highdensity, future-bus, plastic and metal circular, environmentally sealed, SMD and ultra-miniature, and a full offering of QPL connectors.

[www.ittcannon.com](http://www.ittcannon.com) | (714) 577-4700 | [info@controlsales.com](mailto:info@controlsales.com)

# Control Sales

IL Phone: (847) 595-2110

WI Phone: (262) 797-9500

[www.ControlSales.com](http://www.ControlSales.com)

**Knight Electronics** | AC Power cords, standard and medical grades. Sourcing, design, manufacturing, assembly and shipping services to small, medium and large OEMs.

**Orion Fans** | Extensive line of AC fans, DC fans, fan trays, fan accessories and blowers. Quickest response, largest available fan inventory, shortest lead times and competitive pricing.

[www.knightonline.com](http://www.knightonline.com) | [www.orionfans.com](http://www.orionfans.com)

(800) 323-2439 | [info@controlsales.com](mailto:info@controlsales.com)

**Fans & Power Cords**

**Machined Connectors**

**Mill-Max** | Spring-loaded connectors, SIP, DIP, PGA and BGA sockets, PLCC sockets, pin headers and board-to-board interconnects, available in both surfacemount and through-hole. PCB pins, receptacles, solder terminals, wrapost receptacles and swage mount pins. Application-specific products tailored to meet exacting non-standard requirements. Tape and reel options available.

[www.mill-max.com](http://www.mill-max.com) | (516) 922-6000 | [sales@millmax.com](mailto:sales@millmax.com)

**Noritake** | Vacuum fluorescent displays and modules, custom and standard character or graphics, development kits. 7" TFT LCD with PCAP touch panel, custom glass capacitive touch switches with high definition photo lithographic etching and EMI shield windows for display modules.

[www.noritake-elec.com](http://www.noritake-elec.com) | (847) 439-9020 | [info@controlsales.com](mailto:info@controlsales.com)

**Connectors**

**Crimp-On Terminals**

**Capacitors**

**Pancon Connectors** | Electronic connectors. IDC insulation displacement, Flat ribbon cable connectors including mating PC Board headers. Switch-con connectors provide a one-piece alternative to discrete wire termination.

**Pancon Crimp-On Terminals** | Ark-Les crimp-on connectors including bullet, quick-connector, ring, spade, tab, splice and stationary. Many custom designs of insulated and noninsulated terminations available.

**Paktron Film Capacitors** | For ultra-low ESR applications. Widely used in power supplies, automatic filters, military, telecom, 48-volt and industry suppression applications.

[www.panconcorp.com](http://www.panconcorp.com) | (800) 342-6472 | [info@panconcorp.com](mailto:info@panconcorp.com)

**Printec** | Custom built user interfaces, Membrane switches, Various single and double layer flexible printed circuits, Touch screen assemblies, Rubber keypad assemblies, IMD/IML & Plastics, Graphic overlays.

[www.printec-ht.com](http://www.printec-ht.com) | (714) 484-7597 | [info@controlsales.com](mailto:info@controlsales.com)

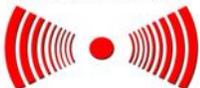

**Therm-O-Disc** | Thermal switches and controls. Thermistors, varistors, NTCs and PTCs.

[www.thermodisc.com](http://www.thermodisc.com) | (419) 525-8500 | [TODSales-AMER@emerson.com](mailto:TODSales-AMER@emerson.com)

*Transducers USA*

**Audio Devices**

**Transducers USA, Inc.** | Piezo and Electro-Magnetic buzzer alerts, sirens, microspeakers, receivers and microphones.

[www.tusainc.com](http://www.tusainc.com) | (847) 956-1920 | [TUSA@Tusalnc.com](mailto:TUSA@Tusalnc.com)

**Protective Cases**

**Zero Manufacturing** | Quality, deep-drawn and fabricated aluminum and molded plastic cases, enclosures and assemblies for the aerospace, industrial, medical, electronics and telecommunications markets. Ensuring safe transport and viability of valuable equipment and electronics, without compromise. Standard products available and the ability to engineer/manufacture any protection solution from scratch!
