

The Midwest's Premier Engineering Representatives
Supplying Electronic Components for Key Industries

Control Sales, Inc. is an established manufacturers' representative servicing Northern Illinois, Wisconsin, Minnesota and Iowa. We specialize in selling electronic and electro-mechanical products to mid to large sized OEM customers in the Industrial, Military/Aerospace, Medical and Telecommunications Industries.

With an emphasis on superior service and custom, design-in solutions, we deliver high value opportunities to our stakeholders. Our longevity and success is the result of strong relationships with our Customer, Principal and Distributor Partners.

Connectors & Contacts	Displays & Modules	Enclosures
Encoders & Position Sensors	Fans & Power Cords	LED Indication & LED Solutions
Mil-Spec & Solid State Relays	Power Supplies	Protective Boots
Protective Cases	Thermal Sensors & Switches	Wire & Cable

Control Sales is a proud member of the Electronics Representative Association and the Electronics Components Industry Association.

APM Hexseal | Complete range of sealing solutions. Covers for toggle, pushbutton, lever, rotary, electric switches and circuit breakers, custom seals, selfsealing screws, nuts, bolts, and washers.

www.apmhxseal.com | (800) 498-9034 | info@apmhxseal.com

Encoders & Position Sensors

BEI Sensors | Manufactures a wide range of encoder products including Incremental and Absolute Encoder Solutions, Rotary Optical Encoders, Magnetic Encoders, Hall Effect Non-Contact Position Sensors, Contact Potentiometers and other Motion Control products.

www.beisensors.com | (800) 350-2727 | sales.beisensors@sensata.com

Wire & Cable

Belden | Delivers a comprehensive product portfolio of copper, fiber and coaxial cable solutions, fiber and copper connectors, intelligent wired and wireless products, industrial ethernet switches and related equipment.

www.belden.com | (800) 235-3361 | info@controlsales.com

LED Indication & LED Solutions

Bivar | Bivar is a leading specialty manufacturer of LED Indication and LED Lighting products and solutions. LED Indication products include: LED Mounts & Holders, LEDs, Light Guides/Pipes, Board Mount LED Assemblies, Panel Mount LED Assemblies and Light Engine Modules.

www.bivar.com | (800) 767-3652 | info@controlsales.com

Bud Industries, Inc.

Enclosures

Bud Industries | Leading manufacturer of high-quality enclosures and related products for the electronics and data industries. Small, hand-held boxes to large cabinet racks. Products made from both plastic and metal, many of which meet NEMA and seismic requirements. Bud can make simple modifications to most enclosures to meet your specifications within one week. Custom product and complete design support available.

www.budind.com | (440) 946-3200 | saleseast@budind.com

Switches

C&K | Miniature toggle, rocker/paddle, alternate action and momentary pushbutton, lighted rocker, DIP, thumbwheel, solid state, keylock, snap action and sealed switches. Slide, rotary and rocker switches. Surface-mount and through-hole tact switches, domes, key, push-button and power switches. Rotary and coded switches and slide switches. Smart Card connectors and SIM/SAM.

www.ckswitches.com | (617) 969-3700 | info@controlsales.com

Solid State Relays

Crydom Corporation | PCB-mount, panel-mount and DIN-Rail mount AC/DC solid-state relays, power modules, I/O modules, high-voltage relays, AC/DC solid-state contactors. Single and dual-channel AC and DC solid-state relays for motor controls. Custom control solid-state relays.

www.crydom.com | (877) 502-5500 | sales@crydom.com

Mil-Spec Relays

Esterline Power Systems | Power distribution and switching solutions for military/aerospace vehicles. QPL-approved relays, contactors, time delays and smart switching products. Solid-state power controllers, relay assemblies, and primary and secondary power distribution assemblies.

www.esterline.com/powersystems | (714) 736-7598 | leach.info@esterline.com

ITT Cannon | D-Sub, RF, Board-to-Board and Cable-to-PCB Connectors. High density, future-bus, plastic and metal circular, environmentally sealed, SMD and ultra-miniature, and a full offering of QPL connectors.

www.ittcannon.com | (714) 577-4700 | info@controlsales.com

Knight Electronics | AC Power cords, standard and medical grades. Sourcing, design, manufacturing, assembly and shipping services to small, medium and large OEMs.

Orion Fans | Extensive line of AC fans, DC fans, fan trays, fan accessories and blowers. Quickest response, largest available fan inventory, shortest lead times and competitive pricing.

www.knightonline.com | www.orionfans.com
(800) 323-2439 | info@controlsales.com

Fans & Power Cords

Machined Connectors

Mill-Max | Spring-loaded connectors, SIP, DIP, PGA and BGA sockets, PLCC sockets, pin headers and board-to-board interconnects, available in both surfacemount and through-hole. PCB pins, receptacles, solder terminals, wrapost receptacles and swage mount pins. Application-specific products tailored to meet exacting non-standard requirements. Tape and reel options available.

www.mill-max.com | (516) 922-6000 | sales@millmax.com

Displays & Modules

Noritake | Vacuum fluorescent displays and modules, custom and standard character or graphics, development kits. 7" TFT LCD with PCAP touch panel, custom glass capacitive touch switches with high definition photo lithographic etching and EMI shield windows for display modules.

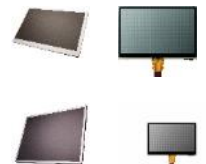

www.noritake-elec.com | (847) 439-9020 | info@controlsales.com

Displays & Modules

Sharp | Industrial Application TFT LCD products include sunlight readable LCDs, industrial-grade Full-HD displays, and a vast array of other specifications. Memory LCD products are designed for rugged wide-temperature performance in wearable, battery-operated, and other small-screened devices.

www.sharpsma.com | (847) 595-2110 | info@controlsales.com

Power Supplies

TDK Lambda | Wide range of standard and configurable AC/DC power supplies with Industrial, High Reliability and Medical models, DC/DC converters and EMI Filters.

www.us.tdk-lambda.com/lp | (800) 275-5224 | info@controlsales.com

Thermal Switches

Therm-O-Disc | Thermal switches and controls. Thermistors, varistors, NTCs and PTCs.

www.thermodisc.com | (419) 525-8500 | TODSales-AMER@emerson.com

Protective Cases

Zero Manufacturing | Quality, deep-drawn and fabricated aluminum and molded plastic cases, enclosures and assemblies for the aerospace, industrial, medical, electronics and telecommunications markets. Ensuring safe transport and viability of valuable equipment and electronics, without compromise. Standard products available and the ability to engineer/manufacture any protection solution from scratch!

www.zerocases.com | (800) 959-5050 | sales@zerocases.com
